Italians Gather in Large Number For Celebration

"Landing day" better known as Columbus day is being celebrated today in Hancock by the local members of the four Italian societies. Another big celebration is in progress at South Range while at Calumet the members of the societies from the north end of the county will meet and fittingly commemorate the day.

The Hancock celebration is being held at Coburntown on Quincy hill. The members of the societies headed by a band met at the bank corner at 10 o'clock this morning, the parade being somewhat late in starting on account of the unfavorable weather and from there marched through Hancock on Quincy street as far as Elevation and up Elevation to the hall at Coburntown where the celebration will take place. A number of prominent speakers have promised to attend and to make addresses at the meeting. Senator W. Frank James was to be the first speaker and he was to be followed by Sheriff Byers, Supervisor Richard Rourke and several others. Judge P. H. O'Brien promised to attend the meeting in the afternoon if possible and in case he does he will address the meeting.

All these speakers will address the meeting in English and will be followed by Silvio Michelotti who is scheduled to address the meeting in Italian. Brief remarks are expected from a number of other prominent Italians. After the speeches there will be refreshments served to the members in attendance and races for the young boys will then follow. About half past two, dancing will start and will continue for the rest of the day and all of the evening.

### HANCOCK WINS FOOTBALL GAME FROM HOUGHTON

LOCAL HIGH SCHOOL TEAM IS VICTORIOUS BY SCORE OF 7 TO 6.

The Hancock high school football team defeated the Houghton high school team yesterday afternoon by the score of 7 to 6. Hancock's ability to make a forward pass at a critical moment was largely responsible for their victory and William's feat of kicking the goal with the score tied won the game for the home team.

The game was called at 3:45 in the midst of a drizzling rain. Houghton kicking to Hancock. The ball was in midfield most of the time during the first quarter, neither team having an advantage, but in the second quarter Houghton outplayed Hancock, missing a touchdown owing to a fumbled pass and finally making one on a series of line bucks. Rogers' terrific line smash was responsible for Houghton's good showing in this quarter and it was the Houghton full back and captain who finally went over the line for the first score. Hancock missed the kickout and this cost Houghton a chance to win out as it later proved.

In the last part of the third quarter, after Houghton had proved that they were able to break Hancock's passes with great success, McGlynn electrified the crowd by snatching the ball out of the air running about thirty yards for a touchdown. Gillespie kicked goal by a narrow margin and put Hancock in the lead.

In the fourth quarter Houghton, playing quarter for Houghton did not resort to his trick plays as he was expected to do but continually ordered punts hoping that his ends would be able to recover one and so give the ball to Houghton near the Hancock line. This they proved unable to do and the game finally ended with Hancock two victors.

Henry Rogers, the Houghton full back and captain was easily the star for Houghton. Working doing what little he had to do in this show. Captain Barrett was Hancock's most effective man and saved the Hancock team several times by his brilliant work.

Hancock will meet the Calumet team again next Saturday and Houghton will meet the same team a week later. On the following Saturday, Houghton and Hancock will meet again on Houghton's grounds for the last game of the year.

#### DOG CRUSADE STARTED.

Officer Wright Ordered to Settle Dog Troubles for This Year.

Officer Jack Wright, night chief of police in Hancock, has been given a new assignment by the officials. At a recent meeting, Mayor Dodge informed the council that he was going to exercise his authority and see that every dog in Hancock had a license if it was possible to do so. Nothing was done for some time about this matter but now the mayor considers it has gone far enough and he has authorized Officer Wright to take active steps in the campaign.

The city does not propose to shoot every dog not having a license tag until the owner of the animal has been given a chance to pay the fee and redeem the dog. Refusal on the part of the owner of the dog to do this will lead to the death of the animal. The outside dogs are another source of annoyance to the Hancock authorities and have given the city considerable worry. It being impossible to deal with them in ordinary manner, the officers are instructed to shoot them on sight.

### HEAD COVERED WITH WHITE PIMPLES

Went to Ear, Shoulders and Whole Body. Thick and Sticky on Head, Eruption Covered With Blood, Cuticura Soap and Ointment Cured.

Ransom, Ill.—"The trouble started on our baby when he was only about two weeks old. Started like little white pimples, looked like an old scab of blood and matter. His whole head was covered for a few months then it went to his ear, shoulders, and his whole body. It seemed to come out thick and sticky on his head, while on the other parts of his body it was more like water coming out of the skin. He would scratch until the eruption would be all covered with blood and gradually spread. The least little stir or rub would cause the sores to bleed, spread and itch. Never had a full night's sleep, restless all night.

"The sores were horrid to look at. It lasted until he was about two and a half years old. Then we saw an eczema advertisement in the paper to use — but it did no good. Then we used Cuticura Soap and Cuticura Ointment. We put the Cuticura Ointment on thick at bed time and put a tight hood on so he could not scratch the sores. Then we washed it clean with Cuticura Soap and warm water taken a day, and he was completely cured." (Signed) Mrs. E. F. Sulzberger, Dec. 30, 1911.

Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

For tender-faced men should use Cuticura Soap Shaving Stick, 25c. Sample free.
